Working together to beautify our town.

“Our family has happily supported HBF through the years and is grateful for their dedication in preserving and maintaining our town’s natural beauty, and providing fun events and educational opportunities to our neighbors.”

THANK YOU to our donors and volunteers for helping with another successful season in the garden. **Together** we grew over **300** pounds of produce for our community foodbank, had over **600** volunteers get their hands dirty, provided internship opportunities for local high school students, and inspired countless future gardeners.

“We at CALL Primrose are so grateful for the wonderful, organic produce we receive from HBF’s Harvest Garden. The much anticipated weekly deliveries by ‘Garden’ volunteers are instrumental in helping us to remain a reliable source of healthy food alternatives to the more than 200 families that come to our center for grocery assistance each week.”

Terri Boesch, Executive Director, CALL Primrose

“Working in the garden was a unique experience. It was nice to be able to take a break from application writing and online classes to work in the outdoors. I enjoyed teaching children, and their parents, about gardening while providing fresh produce to those less fortunate.”

James Lowdon, Summer Intern

“My experience at Harvest Garden, as a volunteer and an intern, helped me to find a new favorite hobby: gardening. Not only was it fun, it taught me a lot about what goes on in a garden and how to manage one of your own.”

Daniella Tu, Summer Intern

HILLSBOROUGH BEAUTIFICATION FOUNDATION

In Memoriam

“Cinnie Magowan was a dear friend and tireless volunteer who used her natural leadership, love of gardening, and pride in her community to benefit HBF and our town of Hillsborough. Cinnie served as President of HBF, and worked diligently to improve the landscape at two critical entrances to Hillsborough: Black Mountain Road at 280, and Floribunda at Walnut, in addition to other projects. Hillsborough is more beautiful because of Cinnie, and her wit, charm, and style will be missed by everyone. Thank you Cinnie for sharing so much with so many.”

Tori Hazelrig, HBF Founder and Past President

THANK YOU for helping us make Hillsborough beautiful!

“Over the past 20 years Hillsborough Beautification Foundation has improved and maintained over 144 public sites throughout our town. None of this would have been possible without the enormous commitment and dedication of our volunteers, coupled with the generous support of thousands of residents. We have more projects planned for the upcoming year. Thank you for your ongoing support to Hillsborough Beautification Foundation this allows us to accomplish our mission”

Mary Ellen Benninger, President HBF
